Remarks

Sweet location on Crawford lake! This cabin has it all! Wake up to the gentle sound of the lake and loons. Views of the lake from up or down stairs are fabulous! Chilly evening? Light the propane fire place in the living area that warms up the cabin. Screened in porch off the kitchen is a perfect place for dining. Both bedrooms boast a picture window with wonderful views of the lake. Enjoy the new aluminum dock . The 12x20 shed is great for storage, plenty of room for your fishing boat or other toys in the winter.
